## WORK EXPERIENCE

○ Oct 2023- Present  
AnalogueShifts | Remote | Lagos, Nigeria  
**Frontend Developer**

AnalogueShifts is a Talent Acquisition Company. Our mission is to solve the problem of cost for startups and large-scale companies abroad by sourcing the best talents for clients.

As a Frontend Developer at Analogueshifts, I have leveraged my expertise in Frontend Development to develop and maintain dynamic, user-friendly web applications. My role involves collaborating with cross-functional teams to translate design mockups into high-quality, responsive interfaces. Currently, I am expanding my skillset to include React Native, enabling me to create seamless mobile applications and further enhance my versatility as a developer.

○ Jan 2024 - Present  
HostShifts | Remote  
**Frontend Developer**

HOSTSHIFTS is a Secure & Scalable Hosting platform for Your Digital Success. I play the role of a Frontend Web Developer. Working closely with Designers and Backend Developers to Build and maintain web applications.

○ Jun 2023 - Aug 2023  
Fowgate LLC | Port Harcourt, Nigeria  
**Junior Frontend Developer**

At Fowgate LLC, I worked as a Junior Frontend Developer on a part-time basis. During this period, I contributed to the development and enhancement of web applications, utilizing my skills in HTML, CSS, JavaScript/TypeScript, React, and Tailwind. My responsibilities included collaborating with senior developers to implement responsive and visually appealing user interfaces. This experience allowed me to further hone my front-end development skills and work efficiently in a fast-paced environment.
